

# Alber-K: The Belgian prodigy redefining the electronic music scene

At just 28 years old, Alber-K has established himself as one of the most promising artists in the Belgian electronic music scene. Dubbed a “musical prodigy” by industry experts, this DJ, producer, sound engineer, and music technology researcher shines through his unique ability to craft sound textures and evoke deep emotions through his creations.

In September 2024, Alber-K was featured as a “Belgian success story” on LN24. Later that year, in November 2024, he was elected one of FORBES 30 under 30, a prestigious award recognizing young Belgian talents who shape the landscape in their respective fields.

## STEADY RELEASE PACE AND GROWING RADIO HITS IN 2024

With a style that oscillates between house, future house, and pop, Alber-K has won the hearts of thousands of fans. Over the years, he has released several singles, all available on Spotify, steadily growing his fanbase. Just this year, his single *Stay*, released in February 2024, garnered over one million streams in three months. However, it is with his latest tracks, *Imperfect the Same* and *Whole Again*, that he has solidified his reputation. They are widely played and supported by major Belgian radio stations such as NRJ, TIPIK, FUN RADIO, TOPRADIO, NOSTALGIE, VIVACITE, LNRADIO, SUD RADIO and MNM, all together combining 50% of the Belgian radio market.

'Whole Again' **peaked** on **#53** in the official **Belgian Airplay Top200**<sup>1</sup>. To promote his single, Alber-K has performed live DJ sets on *Extravadance* (NRJ), *Dancing Donderdag* (Topradio), *Smash!* (Topradio), *Q-Music Party*, *Le Club Fun* (FunRadio) and *Romain* (Tipik).

**Imperfect the Same** (June 2024) is an anthem that celebrates human imperfections, born from a collaboration with American singer-songwriter Nino Lucarelli. The track combines violin melodies reworked into synths with lyrics conveying a positive message, exemplifying Alber-K's unique style. The track has over 3 million streams on Spotify and received extensive radio support throughout the summer.

**Whole Again** (October 2024) delves into resilience and self-reclamation, featuring the powerful voice of Wulf, a rising star in the Dutch music scene. Garnering over one million streams within weeks, it showcases Alber-K's ability to connect with his audience through emotional depth and captivating rhythms.

## MULTI-TALENTED ARTIST

What sets Alber-K apart is his ability to blend technical expertise with boundless creativity. His unique approach to electronic music involves crafting unprecedented sounds, often using instruments he develops himself in his studio. He also experiments with innovative technologies such as 8D audio to deliver immersive experiences to his audience.

Alongside his production activities, Alber-K conducts research on new music technologies. His ambition? To redefine the codes of live performance and push the boundaries of electronic music.

## FROM BELGIUM TO THE US

Hailing from Hannut, Alber-K began his musical journey at the age of 12, performing at private events. By 15, he was already playing at some of Belgium's most iconic clubs in the capital. His talent and determination quickly caught attention, paving the way for an international career.

Driven by a passion for innovation and sonic perfection, Alber-K moved to London to study sound engineering and applied sciences. He later continued his education in Atlanta, USA, at the prestigious Georgia Institute of Technology, where he earned a degree in electronic engineering and honed his expertise in music technologies.

## PRESTIGIOUS INTERNATIONAL COLLABORATIONS

During his time in the United States, Alber-K seized numerous opportunities and collaborated with renowned artists and engineers. He has opened for renowned artists such as Oliver Heldens, Jay Hardway, and Malaa, while working in the studio alongside producers like Jeff Bhasker (Beyoncé, Harry Styles) and Chris Lord-Alge (Green Day, Muse). In January 2024, he was invited to work in Bob Clearmountain's legendary studio in Los Angeles before collaborating in February with Leslie Brathwaite in Atlanta.

## A STUDIO REFLECTING HIS VISION

Alber-K recently launched his own studio, AK Production Studios, a space dedicated to sound innovation and supporting emerging artists. Designed entirely by Alber-K himself, the studio will offer production, mixing, and mastering services, as well as creative residencies. His goal is to help young talents bring their projects to life by providing state-of-the-art equipment and tailored feedback.

## LABEL & INDUSTRY SUPPORT

Alber-K has released tracks on labels such as Disco:Wax, One Seven Music, Paraiso Records, Universal, ADA (Warner Benelux) and more.

From his debut single Stay, he received critical acclaim from industry leaders including DJ-Mag France, We Rave You, EDM.com, One World Radio and others.

He has received support from artists such as Oliver Heldens, Tiësto, Henri PFR, Sam Feldt, Jay Hardway, Malaa and more.
